

Tender Tracks Tales & Trails Forest Pre-School

Open for Registration!

Tender Tracks Outdoor Forest Preschool is a program that honors and respects the inherent need for the young child to have ample time with nature, in order to develop a healthy bond and relationship to the natural world and all who dwell therein. Through stories, songs and explorations, the children will go on playful adventures into the heart of nature.

Programs Offered:

For the 2019/2020 school season, Tender Tracks will be offering a weekly one-and/or two-day Forest preschool program for 3- to 5-year-olds. Since 1996, Tender Tracks has provided extraordinary learning opportunities in the natural world for hundreds of young children.

For More Information:

Please contact Wendolyn Bird to learn more about this one-of-a-kind program and how you can reserve your child's space for the fall 2019 school year. Phone (415) 419-5274 or email tendertracks@gmail.com.

About Your Guides:

Wendolyn Bird, long time mentor of young children and workshop leader for educators, care providers and parents, launched Tender Tracks in 1996. She and her staff are dedicated to creating small intimate programs that allow your child to truly be seen, held, nurtured and supported.

Please, do visit our website to see and read more about those that will be caring for your young ones out upon the land.
